**NEW YORK (April 9, 2024) -- PPV.COM**, which does not require a subscription, returns to the ring when it live streams to boxing fans, in the U.S. and Canada, an action-packed five-bout card, featuring the highly anticipated 12-round super lightweight world title tilt between undefeated WBC super lightweight world champion **Devon "The Dream" Haney** (31-0, 15 KOs), from Las Vegas, Nevada, and the internationally popular **"King Ry" Ryan Garcia** (24-1, 20 KOs), from Los Angeles, **Saturday, April 20**, beginning at **8 p.m. ET / 5 p.m. PT**. Haney and Garcia, who were 3-3 against each other in the amateurs, will finally get their "Game 7" to not only settle a score but to determine the top dog in their heated rivalry. The Haney-Garcia world championship event will emanate live from Barclays Center in Brooklyn. Priced at \$79.99, it can be ordered by clicking here [PPV.COM | Haney vs. Garcia](#).

"Haney versus Garcia is a fight which will turn out to have been competition -- if 'King Ry' is actually more real than his legions of critics want to believe -- or cosmetic, if in fact his critics are on target," said Hall of Fame broadcaster **Jim Lampley**, who will be co-hosting the exclusive viewer chat, in real time, during the [PPV.COM](#) Haney-Garcia world championship event live stream. "Haney's conquest of the great Vasyl Lomachenko is sufficient to prove his skill level. Ryan's skills have so far been more evident on social media. But it might only take one on-target left hook to upend the odds, and that's what Garcia must hunt for."

Joining Lampley on the live viewer chat will be award-winning journalist **Lance Pugmire**, and "**Inside Boxing Live**" podcast hosts **Dan Canobbio** and **Chris Algieri**. They will also be providing exclusive fight week commentary and reports from Brooklyn for [PPV.COM](https://www.ppv.com)'s website and social platforms.

Canobbio and Algieri have moved their popular *Inside Boxing Live* podcast to [PPV.COM](https://www.ppv.com), where they produce two fresh episodes weekly, provide onsite coverage during major pay-per-view fight weeks, host their own weekly live chat every Wednesday at 3 p.m. ET, and join fight night live viewer chats.
