With the mission to provide more creative control to fighters, MVP works to identify, grow, and maximize return for its own events and talent partners. One year into its inception, MVP was nominated as one of the prestigious Sports Breakthroughs of the Year in 2022 by Sports Business Journal. MVP has produced Jake Paul's last four global pay-per-view events, including the recent Paul vs. Fury match, which surpassed 800,000 Pay-per-view buys worldwide. The promotion company also signed one of the most decorated Hispanic athletes of all time, Amanda Serrano in its first year. Serrano and MVP made history in April of 2022 when Serrano went head-to-head with Katie Taylor, marking the first female fight to headline at Madison Square Garden, recently earning a nomination for Event of The Year by Sports Business Journal. Co-founder Nakisa Bidarian was an executive producer of the historic Triller Presents Mike Tyson v. Roy Jones Jr., which was the 8th most bought pay-per-view event in history.
